1. The findings of fact are approved. I concur with the opinions and recommendations of the Command Investigator except the counseling of Master Gunnery Sergeant Garcia.
2. The incoming Comptroller is directed to:
 - a. Establish means to ensure chains of authority and Reporting Senior and Reviewing Officer chains are understood by all Comptroller Office personnel; and
 - b. Ensure billet descriptions align with currently assigned duties and expectations for each sergeant and above billet in the Comptroller Office.
 - c. Ensure proper counseling documentation is occurring when performance by civilian or military personnel assigned to the Comptroller Office does not meet reasonable expectations.
3. No further investigation is warranted.
4. The point of contact for this matter is the Staff Judge Advocate, Marine Forces Reserve, Colonel Alison Daly at (504) 697-8360 or alison.l.daly@usmc.mil.
